Hepatitis Victoria is welcoming new public speakers! Jump on board and help to make a difference!

Join us for a two day FREE workshop to improve your public speaking skills and make a difference!

Why should I become a HEPspeak?

- This is an opportunity to connect with others and share experiences
- Help to educate the community and raise awareness about living with viral hepatitis
- Join the fight against stigma and discrimination
- Receive free training on presentation skills and story telling
- Feel empowered and increase your confidence
- You will be reimbursed to talk about your experiences at events

The sessions are run over two days – participants must attend both days in order to become speakers

- Saturday 6th of April 2019 – 10.30am to 1.30pm
- Saturday 13th of April 2019 – 9.30am to 3.30pm

Training held at Hepatitis Victoria – Suite 5, 200 Sydney Road Brunswick, 3056.

Training is open to anyone with lived experience of hepatitis B or C

Lunch provided!
